Policy Statement

City of Bristol College bursary funds are designed to widen participation and to support our students to attend college and achieve their goals, as well as to support their general welfare. 1. Vulnerable Bursary

A Vulnerable Bursary can be awarded up to the sum of £1,200 a year for students aged 16 or over but under 19 at 31 August or 19-24 yrs. students with an Education, Health and Care Plan (EHCP) who are in one of the following vulnerable groups:

- In care
- Care Leaver
- Financially supporting themselves and someone who is dependent on them and in receipt of Income Support or Universal Credit
- Receiving Disability Living Allowance or Personal Independence Payment in their own right and in receipt of Employment Support Allowance or Universal Credit

Students that are identified as being in one of these groups are not automatically entitled as the award is based on financial needs or where these needs are not covered from other sources. Students may receive a lower amount or no bursary at all if they do not have any participation costs.

Eligible students may be supported with the following costs; transport, meals, books, uniform and equipment. As stated in the funding guidance we are unable to cover other living costs, extra-curricular activities, counselling, mentoring or extra tutoring. In the event of a withdrawal any unspent funds are re-claimed.

Students should keep receipts showing that the award is being spent as intended, checks may be carried out to ensure the funds are being used for their intended purpose.

Where IT equipment such as laptops are provided, these are a loan and are required to be returned at the end of the course in the same condition when issued.

Discretionary Bursary is available to students aged 16 or over but under 19 at 31 August 2021 or 19-24 students with an Education, Health and C

The costs available are defined for each course to meet the needs of that course. 6. Discretionary Learner Support Fund (for 19 plus students)

Students aged 19 or over are eligible to receive a discretionary bursary if 19 or over, on a further education course and facing financial hardship.
